Online lecture series

Aspects of the Anthropocene - Aspekte des Anthropozäns

Online -Ringvorlesung

University of Vienna, summer term 2022:
Public lectures on Tuesdays, 5 - 7 p.m. (CET & CEST)
online via Zoom

To join the
lecture series for free,
go to
[www.forum-
anthropozan.com](http://www.forum-anthropozan.com)

An interdisciplinary online lecture series on the Anthropocene with national and international speakers, from sciences, social sciences and (visual) arts will examine the Anthropocene from different perspectives.

Online discussion to ask
questions after each lecture.
